

LWSC August Newsletter 2016

Summer Camp

On August 10th – 12th we had the last of our 2016 summer camps. This time was the general camp which was open to everybody and we had a total of 11 people attend the camp. Everyone had lots of fun throughout the week not only riding, but also learning about how to care for the horses. They learnt skills from getting a horse/pony ready to ride, to getting them ready for competition. On the final day they all competed in a handy pony and Dressage competition. For some of the riders it was their first time competing but despite that, everyone did very well and everyone won lots of prizes!

Gymnastic Jumping Demonstration

Unfortunately, due to unforeseen weather circumstances we have had to postpone our Gymnastic Jumping Demonstration. We have plans to reschedule our demonstration towards the end of the year. We will inform you all once we have an official date, we apologise for any inconvenience caused.

Warm Up & Competition Protocol Training

On the evening of Friday 26th August we held a training course here at LWSC which was aimed at both instructors and competition riders. The session covered both rules and regulations within the warm up arena and competition arena. We would like to say huge thank you to Alice Mak, Georgina Shellum and Johnny Mak who came and ran the evening; everyone who attended found the evening very interesting and useful, especially with the upcoming competition season.

What's coming up...

Children's Challenge Cup

Well done to all of those that came to our CCC assessment on 21st August. The team has now been selected and the training has begun in preparation for the first competition which will be held on the 23rd September at Lei Yue Mun Public Riding School. Best of luck to all those that are competing.

Tim Downes Clinic

Although Tim is not scheduled to be here in Hong Kong until the middle of November, places are filling up very fast! The majority of afternoon lessons have already been booked and there are only a few morning slots left available too. If you are interested in having a lesson with Tim then please get in touch with the office as soon as possible. The exact dates he will be available for lessons are from Thursday 17th November through to Friday 25th November.

Competition Season

Hooray! The competition season is back! Now that the weather has started to cool down ever so slightly, the competition season at BREC will start to resume. Having worked hard over the summer, we're sure a lot of our riders are very keen to get out competing again. Our horses and riders will have their first outing on Sunday 18th September with some clear round XC which should set everyone up well, ready for the One Day Event that will be ran over the following weekend from 24th – 25th September. Best of luck to all Lo Wu horses and riders planning to compete.
